

CLIMATE COMPENSATED
BUSINESS

CLIMATE CERTIFICATE 2021

CEMAsys' Climate Certificate™ is hereby issued as a proof of planting of mangrove trees, for voluntary offsets of own greenhouse gas emissions. As a result of the planting, the project will each year issue climate quotas in line with the VERRA Verified Carbon Standard, and these can be tracked in the register with its unique serial number. The project contributes to meeting a number of the UN's sustainability goals.

Company	Kommunal landspensjonskasse (KLP)
Offsets cover	Climate compensation for own business
Volume (tonnes CO ₂ e)	280
Type	VCU (Verified Carbon Units)
Issuing body	VERRA Verified Carbon Standard
Project name	Reforestation and restoration of degraded mangrove lands, sustainable livelihood and community development in Myanmar
Project reference	https://registry.verra.org/app/projectDetail/VCS/1764

The climate quotas will be issued by the VERRA Registry on a yearly basis based on a third-party verification and will be retired from the registry permanently, so that no one else can hold or retire them. For more information, see the project description
